Historic research, clippings, drawings, photocopies, financial documents, and contracts relating to the Shackelford County Jail. Financial records include receipts, bills, supply lists, taxes, and guard pay rolls. 65 photocopies of historic jail documents and 32 pages of research relate the early formation and management of the jail. A drawing illustrates the original specifications of the jail. Building contracts and bonds from the jail's creation are also included in the records.

Note: Some paper is brittle. Materials should be housed in legal size document boxes when available.
